ARMSTRONG CREEK EAST COMMUNITY HUB

WHAT'S ON 2019

Your Armstrong Creek East Community Hub awaits

Following its official opening in April, the new Armstrong Creek East Community Hub is hosting fitness, dance, faith, youth, writing and new parent groups in the flexible 2800-square-metre facility.

The wide variety of activities reflects the rising population in Armstrong Creek's first residential precinct, which is expected to be home to around 17,500 people when fully developed.

There are nine flexible areas for the groups and the public to use, including meeting spaces, multi-purpose rooms and a playroom.

**Interested in hiring one of the community spaces?
